Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Saturday 17 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Very warm and sunny on Sunday, locally hot at times.

This Evening and Tonight:
A dry, sunny and warm evening with light winds as any onshore breeze eases. Overnight, skies staying clear for much of the region, but perhaps some isolated mist patches forming on coasts by dawn. Minimum temperature 17 deg C (63 deg F).

Sunday:
Dry with strong sunshine across the region once any coastal mist clears. Feeling generally very warm or hot, with a risk of isolated sharp showers in the west later. Maximum temperature 32 deg C (90 deg F).

Outlook for Monday to Wednesday:
Dry with long periods of sunshine Monday, but a risk of isolated heavy showers later. Sunshine and patchy cloud Tuesday and Wednesday, any showers likely to be in the west.
